SCHOOL IS:

work and dedication to produce a 1971 FIFE AND DRUM. Our first volume was one of the finest yearbooks ever produced by a new school due to the long hours and hard work put forth by the staff members. As a token of our appreciation, we wish to dedicate the 1972 FIFE AND DRUM to the hardest working staff member in 1971, Mrs. Lynne Hyde.

WELCOME
BACK TO ANOTHER
YEAR

"Give me a P"

"We are the Patriots from good ole Wootton High!"

Dear Dr. Jellema,

Due to circumstances beyond our control, Monday has been cancelled, thus eliminating the Monday Blahzzz. Responding to popular demand, Thursday will fall in Monday's time slot. So next week will have Thursday, which falls on Monday, followed by Friday, which by the way, comes on Tuesday.

If you think you have problems remember Robinson Crusoe whose Friday brought him sundaes on Saturdays because he was Thursday (thirsty). This by the way, went with his eggs which were fried Sunday side up. (Amen)

If you are still confused, you have two choices 1) join the club or 2) sleep through all next week and pray.

Thank you for your time,
Sunday Steve, Tuesday Ted and Who
Knows Howard

P.S. Don't you think the guys who wrote this letter are really "prose" at it??

Wilbur,

It has been nice knowing you
this year in art. Sometimes you
bugged me but all in all your
pretty nice (I still feel bad about
kicking you when we were building
that snowman) I had fun with
you and Karen down in Wash
on our autumn field trips.

Wilbur,
It was something
else - English was
bearable - Art field
trips were fun. Why?
Because some guy whose
name I've already mentioned
put life and fun into it.
Stay Sweet, I'll say ya
next year.

Will,
Love,
Debbie

I hope you'll
remember please
week too! Maybe
next year will be
in the same classes.
The truth is, Wilbur is
a sweet boy, - oh I
don't know what to write,
but have a nice summer
And I'll see you in the
fall

- Debbie

Dear Boomer,
Your not really too much of

Good Luck Always
Lots of Love,
